**The Hinterland Photo Club meets on the 3rd Thursday of every month at the Maleny Neighbourhood Centre.**

**Meetings start at 6.30pm.**

## Happy New Year to Everybody

Happy New Year to all. I hope you came out unscathed with the inclement weather we experienced during the summer break and even though it was pretty dismal members still managed to get some good photographs.

We start 2011 with our first meeting on 17th February and at a new venue. The Club also extends its thanks to Jens for setting up a Hinterland Photo Club site on Facebook to allow members, between our regular meetings, the opportunity to have their uploaded photos commented on and to seek advice from other members on their photography in general. More about all those matters later in this newsletter.

## Our First Meeting - 17th February

Our first meeting for 2011 will be held on Thursday 17th February commencing at 6.30pm. Although once again members are reminded to arrive earlier so they can have their photo competition photos uploaded onto the computer.

Our guest speaker for the meeting will Deb Johnson. Deb is no stranger to the club and her photos have always been a source of inspiration. She has been working with HDR of late and Deb will therefore be speaking on this at the meeting. If you wish to look at some of Debs work just visit her Flickr site at <http://www.flickr.com/photos/28053782@N04/>. I am sure you will be impressed.

## Club Photo Competition

A reminder as well the theme for the February photo competition is

***"Feels like Summer"***

**New Venue for Future Club Meetings**

We have a new venue for future club meetings. Commencing in February we will be meeting at the Maleny Neighbourhood Centre, 17 Bicentenary Lane, Maleny. Our Soccer Club rooms have served us well over the years but the new facilities provide more comfort and greater opportunities to use an overhead projector.

**Look forward to seeing you all on 17th February at the new venue**

## 2010 Photo Comp Winners

At the end of this newsletter can be found the final scores in the 2010 Club Photo Competition. 2010 marked the introduction of a two Groups Structure - A member group and an Advanced Group.

## 2011 Membership Fees

Members are reminded that membership fees are due at the February meeting. Fees will remain the same as last year being:-

- \$26 for Individuals and
- \$36 for Couples.

However, to encourage younger keen photographers to join the club the Committee will be recommending to the February meeting that we introduce a junior rate of \$15 per year.

-----

HPC members will have to request to join the site. Just ask Jens or myself who are the administrators for admittance as a member of the group.

The success of the site does depend on members use of the facility. So come along and join the group.

## Joint Caboolture Photo Club/HPC Outings

### **Facebook Site**

The Club now has a dedicated Facebook site for use by its members. The Facebook site address can be found at the beginning of this newsletter and has been introduced to allow members to

seek comment on their uploaded photos or draw on other members knowledge on photography in general. It also provides a excellent and informative medium between club meetings.

The Facebook site is a closed site which means whilst the site is public the site's content is private.

Once again our friends at the Caboolture Photography Club have extended an invitation for HPC Members to attend their next club outing.

The Caboolture club outing will be on Saturday 19th

February chasing the Mary Valley Rattler. Saturday is the busiest day so there will be plenty of chances to grab some good shots.

Saturday has two half days services from Gympie Station return and a half day service from Dagon Station return.

For those of you not familiar with the Mary Rattler you can get full details at their website:-

<http://www.thevalleyrattler.com/>

The plan is to meet at Kandanga Railway Station, Main Street, Kandanga at 09:30am. The first train leaves Gympie at 09:30am so this should give plenty of time to position ourselves at the various bridges and cuttings the train will come over and through.

Bring a picnic lunch or BBQ so we can get together in one of the parks in the area.

If you are interested in attending the outing just let Brian or Brad know.

### **2011 Maleny Show**

This years Maleny Show will be held on 3/4 June. Once again the club will be the major sponsor of the photography competition and exhibition during the show days.

Jens has kindly offered to be the co-ordinator for the number of tasks required to

make the Show a success. However, we will need volunteers to be firstly a member of the organising committee and secondly to assist with all the functions required. If you can help out we will be taking names at the February Club Meeting.

2012 will also mark the 75th anniversary of the Maleny Show and whilst it is early days yet the Maleny Show Society will be looking to HPC Members for plenty of shots of the Show and its activities.
