Priscilla Cottage Exhibition

Firstly a special thank you to Harvey Bryce from Historical Society, Maleny for allowing us to have our photo exhibition in 'Lawley House' and also to Hanspeter Buchli for organising and hanging all the photographs.

Everyone enjoyed themselves especially seeing their photos on display, not to forget to mention the bubbly and nibbles.

As Brian mentioned on the night a big thank you goes to Andrew for spending 2 days of his own time cutting the matting for our photos and then spending the whole September meeting assembling them for the display.

Portrait Photography – Studio & Outdoor

Mr. Joe Nucifora the principal of Phunk Studio in Brisbane is planning a one day Portrait Photography course in late November early December at a home studio in Coolum.

The course includes an outdoor element and will be held on a Sunday, the exact date to be advised.

Joe has 35 years experience in photography, the details of which are too extensive to list here but include a passion for studio and outdoor portrait photography.

To this end his course would be of a hands on practical nature and encompass a broad range of subjects with an emphasis on:

1. To create interesting light you must create interesting shadows.
2. A flash mounted to the hot shoe of a camera is not a good place to create a good image.
3. While it will cover the use of professional studio strobe lighting (which most may not have), the emphasis will be on improving your portraits using one or two off camera Speedlites and reflectors (within the price range of the enthusiast photographer).
4. Posing your model (professional model will be in attendance).
- 5 The use of enhancement editing software will also be discussed and demonstrated.

The cost of the course is \$75 p.p. BYO lunch, beverages supplied.

Further enquires and expressions of interested can be sent to vk4jtd@exemail.com.au
